## Appendix 1

### **Community Room Usage Agreement**

I \_\_\_\_\_ (print name) acknowledge and understand that:

- I have received, read and understood the Community Room Usage Policy and agree to comply with the terms listed within it
- I have paid a \$\_\_\_\_\_ security deposit for the community room booking and that all monies will be refunded to me after the post rental inspection has taken place. In the event that damage was caused throughout the course of the rental, I understand that the security deposit will be held by BMNPHC in trust until a quote can be obtained for the damages caused and/or replacement of items. I further understand that if the amount of the damages, cleaning and/or replacement cost is less than the security deposit that I will be refunded the difference between the deposit and costs incurred. If the damage/cleaning/replacement costs exceed the security deposit, I will not be entitled to the security deposit and will be financially responsible for the remaining balance of the costs incurred
- It is my personal responsibility as a tenant of BMNPHC, that in the event that any damage, theft or loss should occur throughout the course of the rental of this room for my private function, that I will be held financially accountable
- It is my personal responsibility as a Tenant of BMNPHC, for all of the guests that I have invited to my private function and their behavior. Further I agree that my guests will not impact the reasonable enjoyment of the premises for other tenants living within the building
- I may be served with a Landlord and Tenant Board Form N5 – Notice of Eviction, if I do not pay for the damages, theft or loss incurred throughout the time of the rental, or if the conduct of myself or my guests impacts the reasonable enjoyment of the premises
- I will be financially responsible for the fees associated with false fire alarms in which the fire department is dispatched to the community room throughout the course of the rental
- It is my responsibility to return the room to the condition it was in prior to my event and that failure to do so may result in the services of a third party cleaning company or internal cleaning staff being used to bring the room back to its original condition. I agree that I will be financially responsible for the cost of cleaning

- That I must complete a pre-event and post-event walkthrough with a site staff where we will audit the condition of the room before the security deposit will be returned
- When and where possible, the Community room will be booked for Tenants and Groups on a first-come-first-served basis

**I also agree to abide by the following rules:**
